

Advanced Energy Coalition

2025 American Association of Blacks in Energy (AABE)

48th National Conference

April 28 - May 2, 2025 | Atlanta, GA

Join us to raise the profile of the advanced energy industry with the American Association of Blacks in Energy (AABE).

The AABE National Conference provides an impactful forum for more than 1000 energy professionals every year.

Through an Advanced Energy Coalition sponsorship of the event, you will have the opportunity to forge partnerships, showcase your organization, and connect with thought leaders.

Sponsorship Benefits - \$10,000

- Logo Recognition at the PRESENTING SPONSOR LEVEL as part of the Advanced Energy Coalition Sponsorship.
- Logo Recognition in the Advanced Energy Coalition Banner Ad in conference mobile app.

About AABE

Founded in 1977, AABE boasts a membership of 1,600 energy professionals in over 39 chapters nationwide, representing all energy industry sectors (oil/gas, electric, and gas utilities, nuclear, and renewables). The 48th AABE National Conference: *Unleash Your Potential: Igniting Your Power, Organizing Your Path and Conquering Your Dreams* — April 28 - May 2 in Atlanta — will showcase energy thought leaders who are diverse in ethnicity, gender, and expertise.
